FLORENCE NIGHTINGALE'S THEOLOGY: ESSAYS, LETTERS AND JOURNAL NOTES: VOLUME 3: COLLECTED WORKS OF FLORENCE NIGHTINGALE (HARDBACK)

Wilfrid Laurier University Press, Canada, 2002. Hardback. Book Condition: New. 228 x 162 mm. Language: English. Brand New Book. This third volume in the Collected Works of Florence Nightingale reports her controversial theological essays (only two of which have been previously published) and a great array of correspondence, from such Roman Catholics as Cardinal Manning and the Reverend Mother of the Sisters of Mercy of Bermondsey to the liberal Protestant Benjamin Jowett, evangelicals and missionaries. Nightingale's recommendations for a revision of the Bible for schoolchildren and excerpts from her devotional reading are given. The Series and the Set The Collected Works of Florence Nightingale comprises all surviving writing of Florence Nightingale, featuring original material from over 200 archives and private collections worldwide. Known as the heroine of the Crimean War and the major founder of the modern profession of nursing, Florence Nightingale (1820-1910) is affirmed as a scholar, theorist, and social reformer of enormous scope and importance. This series demonstrates her astute use of the political process; reports on her extensive correspondence with royalty, viceroy, cabinet ministers, and international leaders; and contains a great deal of previously unpublished material—Florence Nightingale is revealed as so much more than the lady with the lamp. The Collected Works of Florence Nightingale is indispensable to scholars, and accessible and revealing to the general reader. All sixteen volumes can be purchased together at a reduced cost with the Collected Works of Florence Nightingale: The Complete Set.
